To Whom It May Concern,

This letter is to advise you that fire sprinklers are located in all rooms and closets of the residences in 20820 Hammock Greens Lane. The fire alarm systems are inspected annually and are monitored by Wayne Automatic. Additionally, Hammock Greens is a subdivision within Pelican Sound which is a gated community with 24-hour surveillance.

If you require additional information, please contact our office at (239)-239-7000.

Sincerely,
